Important points to remember:

- ✓ AVA is a program, not a school. Therefore, students need to be enrolled at their zone schools to receive an AVA enrollment.
- ✓ If your student applies for AVA Full Time Flex enrollment for Fall 2024, and they are not currently enrolled in an APS school, you will need to complete OLR prior to your student being enrolled for Atlanta Virtual Academy. Failure to complete OLR or remain enrolled at the APS zone school, will result in the AVA enrollment being forfeited.
- ✓ Prior to the application deadline, all applications submitted on the last day receive the same consideration as applications submitted on the first day.
- ✓ No late applications will be accepted after the application window closes on March 10th.
- ✓ Students with a 504 and/or IEP will need to have their services reviewed to ensure they can be implemented in a virtual setting.
- ✓ **Accepting a seat offer into AVA Full Time Flex is a semester-long commitment.** Therefore, once the parent accepts the seat offer for Fall Semester 2024, they may not return to their zone school until the end of the semester.
- ✓ AVA students can participate in extracurricular activities at their home school.
- ✓ AVA students take all national (PSAT, SAT, ACT, AP) and state (EOG, EOC) exams at their home schools.
