

# Are you interested in computer science but not sure what it's all about?

**Become a BridgeUP STEM Scholar**

**Application Deadline: April 16<sup>th</sup>, 2023**

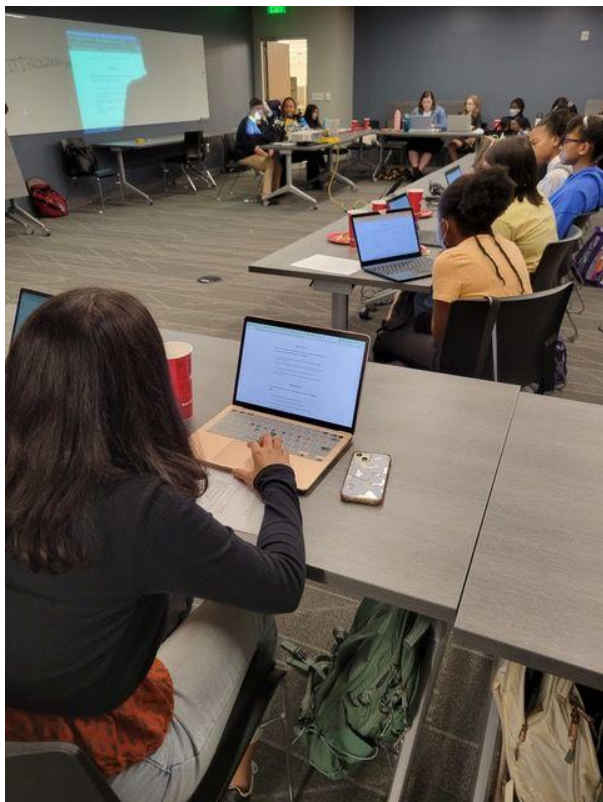

Develop computing skills, build confidence, and learn about college and career opportunities in computing through a year-long program at Georgia Tech.

**\$1,000 stipend plus MARTA or parking passes are provided to BridgeUP STEM Scholars.**

## BridgeUP STEM Program:

- **Summer Coding Class** meets June 5<sup>th</sup>-30<sup>th</sup> 2023 from 9am to 3pm daily\* on Georgia Tech's campus.
- **Academic Year CS Research Class** meets September 2023 to April 2024. Tuesday evening sessions are held 5-7:30pm on campus and Sunday afternoon sessions from 2-4:30pm meet virtually.

Join a community of people interested in computing in a paid, year-long learning opportunity on Georgia Tech's campus.

**Open to high school students currently in grades 9 through 11 who identify as girls or non-binary. Use this QR code to find out more and apply!**
