

## NAHS Rising 9th Grade Transfer Student Pre-Registration Sessions (For 8<sup>th</sup> Grade students currently attending a Private or Non-Feeder MS only)

Rising 9th grade students who are not currently attending Sutton MS will be required to complete the APS new student enrollment process with the NAHS registrar's office. NAHS is offering two Pre-Registration Course Selection Sessions for Rising 9<sup>th</sup> Grade Transfer students only. In these sessions, the Rising 9<sup>th</sup> Grade counselor, Shellie Marino, will provide an overview of 9th grade course offerings, academic placement guidelines and work with students/parent to pre-select courses and electives for the 2022-23 school year.

### Rising 9th Grade Transfer Student Pre-Registration Sessions will take place at NAHS on March 23 and April 27 at 4pm

#### Benefits to Attending Pre-Selecting Classes this Spring:

- Do not have to wait until late July/August to select classes
  - Due to the high volume of transfer students, waiting until July/August could result in a delay in having a schedule created for the 1<sup>st</sup> day of school.
  - May help to increase a student's chances of getting into their preferred classes
  - Students who are taking classes with summer reading assignments will have more time to complete that classwork so that it is ready to turn in at the start of school
  - Helps in making for a smoother and seamless beginning to the new school year.
- RSVP for your spring sessions using the link or QR code provided here.**
  - Both student and parent(s) should plan on attending.**
  - Recommend bringing a copy of your student's 8th grade report card, class schedule & available middle school standardized test scores to assist in determining academic placement**

*Please note that these pre-registration sessions are separate from and do not include the enrollment process that needs to take place with the registrar's office. Students will not be officially scheduled for any North Atlanta courses until the enrollment process has been completed with the NAHS registrar.*
